

Violet Ruelokke Primary Health Care Award Reference Requirements

This bursary has been established for the purpose of strengthening nursing leadership capacity in primary health care. Applications will be accepted from RNs pursuing studies or participating in an event that aims to develop/strengthen knowledge and skill for primary health care practice.

You will be required to provide the following information on your reference:

A. Applicant Information

- Name
- ARNNL Registration Number (***REQUIRED** – to be provided by the applicant)
- How you know the applicant
- How long you've known the applicant

B. Your Information

- Your contact information (employer, phone, email etc.)

C. Applicant Characteristics and Abilities

- You must rank the applicant on the following characteristics and abilities:
 - performance in nursing practice
 - ability to work with others
 - participation in professional activities
 - motivation/initiative in nursing practice
 - actual/potential contribution to Primary Health Care (PHC)

D. Reference Statement

- Provide a brief statement about the applicant's motivation and initiative with regard to their nursing practice and actual or potential contribution to primary health care (maximum **500** words).
