

STRATEGIC OUTCOMES

Vision Statement:

The ARNNL will be recognized by our stakeholders as a leader in nursing regulation, a key partner in health regulation, and as a trusted and valued regulatory body. ARNNL will provide nursing visionary and strategic leadership to strengthen the future of the profession in the province and where relevant, contributes nationally and internationally.

Mission:

In fulfilling its Mandate and Objects¹, ARNNL advances nursing excellence for public protection and optimal health of the Newfoundland and Labrador population.

Strategic Outcomes:

ARNNL advances the following strategic outcomes to achieve the vision and mission:

1. Public Confidence in Self-Regulation

- 1.1 The public have confidence in the ARNNL to ensure safe, competent, professional nursing practice.
 - 1.1.1 ARNNL's Governance and regulatory processes and policies are objective, accessible, fair, and appropriately transparent.
 - 1.1.2 ARNNL's regulatory programs and services are relevant, credible and innovative enabling nurses to achieve standards for the profession.
- 1.2 Public policy is influenced to promote the health and well-being of the population.

2. Accountable Professionals

- 2.1 Registered nurses practice safely, effectively, and collaboratively consistent with the Standards of Practice and Code of Ethics.
 - 2.1.1 Registered Nurses apply appropriate knowledge, skill, and judgement to their full scope of practice.
 - 2.1.2 Registered Nurses engage in self-directed professional development and meet the requirements for continuing competence.
 - 2.1.3 Registered Nurses have access to resources to support professional practice and engage in self-regulation.

3. Evolution of the Profession

- 3.1 The nursing profession is prepared to meet the future health needs of the population.
 - 3.1.1 Nursing roles in practice, management, education, research, and policy continue to advance and contribute to the health of the population.

Approved by Council: June 2017

¹The objects of the association are, in the interest of the public of the province,

- (a) to advance and promote the ethical and professional standards of the nursing profession;
- (b) to promote proficiency and competency in the nursing profession; and
- (c) to encourage its members to participate in activities promoting the health and well-being of the public.
